Past SDDT Healthy Communities Grants (2019 – 2023) – through SF Public Health Foundation

ORGANIZATION	NEIGHBORHOOD(S)	POPULATION(S)	MISSION AND PROGRAM
Bayview Hunters Point Community Advocates	Bayview Hunters Point	Black/African American (B/AA), Immigrants	Bayview Hunters Point Community Advocates aims to provide healthy, and quality food, that reaches all communities in our diverse neighborhood, through a cooperative owned and operated by and for Bayview-Hunters Point residents. Funding will support a community-owned co-op grocery store in the Bayview Hunters Point neighborhood to provide affordable healthy, high-quality food for vulnerable populations in southeast SF who suffer from a burden of chronic disease.
3rd Street Youth Center & Clinic	Bayview Hunters Point	Black/African American (B/AA), Latinx, Low income families	The 3 rd Steet Youth Center and Clinic’s mission is to help youth, ages 12-27, from Bayview Hunters Point (BVHP) make healthy and safe decisions that improve their physical, emotional, and social health, empowering them to become successful, contributing adults. The BVHP Park Rx program fosters a collaborative approach to improve physical and mental health outcomes of youth in Bayview Hunters Point while strengthening the connection between the healthcare system, parks and open public lands.
Bounce Back Generation	Potrero Terraces and Annex public housing, (+influence local schools)	Black/African American (B/AA), Latinx, API children, families, individuals	Bounce Back Generation has promoted resilience to trauma in children since 2011. Our mission involves communities in their own healing. Funding will support community hiring to create and implement a wide public awareness campaign directed toward 300 Potrero/Bayview children to recognize the origins of negative coping behaviors and adopt resilient-building habits instead.
Community Grows	Western Addition, Bayview-Hunters Point	Low-income youth and youth of color: Black/African American (B/AA); Latinx, API, teens age 14-19 and TAY 19-25	Community Grows’ mission is to cultivate healthy youth through growing gardens in low-income, diverse communities, co-powering children to become healthy, eco-literate leaders. Funding will support our BEETS (Band of Environmentally Educated and Employable Teens) program will help employ 10 low-income youth of color to learn and lead health-focused workshops for 130 children and adults in the Western Addition and Bayview about nutrition, gardening and mindfulness, while building and maintaining edible gardens to increase access to fresh produce in their communities.
Community Well	District 11-Excelsior	Asian, Latinx	Community Well’s mission is to connect residents with high-quality holistic services supporting self-care and overall wellness. Funding will support program delivery of weekly classes on food as medicine, movement and emotional wellness. We aim to serve 1,285 historically underserved residents of southern SF districts, promoting healthy behaviors and reduced rates of chronic illness.

ORGANIZATION	NEIGHBORHOOD(S)	POPULATION(S)	MISSION AND PROGRAM
Farming Hope	Tenderloin, Mid-Market, and Mission	Very low-income; People experiencing homelessness	Farming Hope’s culinary apprentice program provides workforce development to formerly incarcerated and homeless neighbors. Funding will employ trainees at Farming Hope’s social enterprise restaurant and urban garden, supporting 20+ apprentices annually from Mission, SoMa and Tenderloin neighborhoods. This support will help feed 18,000 customers, while raising awareness about veggie-forward diets.
Instituto Familiar de la Raza Inc.	Mission	Latino Indigenous	The goal of “Nuestras Raíces Saludables” (Our Healthy Roots) program is to educate the Latino Indigenous community in the prevention of chronic diseases, healthy living and wellness. Through a series of community workshops and educational programming we plan to further develop a group of Latino Indigenous community members/leaders in culturally appropriate interventions and best practices. “Nuestras Raíces Saludables” will incorporate community health promoters in peer to peer education and capacity building to positively impact the nutritional and physical activity behaviors of the Latino Indigenous community of San Francisco.
San Francisco African American Faith Based Coalition	Western Addition, Bayview-Hunters Point, OMI	Black/African American (B/AA)	The SF African American Faith Based Coalition is committed to advocating and serving the needs of the underserved Black/African American (B/AA) community (primarily in the Bayview District) while promoting better and healthier living. Funding will aid in building capacity for the Coalition to provide services and serve at least 450 people over the three-year cycle with healthy food training and food security.
SisterWeb	Bayview Hunters Point, District 10	Black/African American (B/AA), Latinx, and Pacific Islander communities	San Francisco Community Doula Network cultivates a network of peer doulas for women most impacted by adverse birthing experiences. Funding will pair 60 Black/African American (B/AA), Latinx, and Pacific Islander mothers and families with a doula from their community and provide them with specialized prenatal, peripartum, and postpartum care that includes one-to-one and group Healthy Eating and Active Living (HEAL) skills-building and coaching.
SoMa Community Action Network (SOMCAN)	SOMA, Tenderloin, Excelsior	Filipino American	SOMCAN serves low-income, immigrant youth and families in SOMA, Excelsior, and the greater SF. Funding will support “Our Health/Kalusugan, Our Community/Bayan” project, which aims to empower, and build the leadership and civic engagement of SF Filipino residents to attain healthier lifestyles while advocating for healthier neighborhoods.
Urban Sprouts	Excelsior, Sunnysdale-public housing, Mission Bay, June Jordan	Low income of all ages, including youth	Urban Sprouts seeks to restore cultural connections to health and wellness; reduce health disparities among chronically under-resourced communities of color in Southeast SF; and ready our community for meaningful and gainful employment. Funding will support our annual work with 1600 low-income individuals of all ages through garden-based education, job-readiness, and community health & nutrition education programs in the Excelsior, Sunnysdale, and Mission Bay communities.
